

Counselor's Corner

Welcome to the 2016-2017 school year! We have some new additions this year, including a new school counselor:

Hi! My name is Diana Chiu and I will be the school counselor for all of 7th grade and for 6th grade students with last names A-K this year. I received my Master's degree in Counselor Education from the University of Virginia and my BBA in Business Management and BS in Communication Studies from James Madison University. I am very excited to get to know and work with you and your students!

WHAT DO SCHOOL COUNSELORS DO?

We help your child with their academic, personal, social, and career development needs. We offer individual counseling, small group counseling, classroom lessons, career planning, parent workshops and more. We also consult with parents, teachers, administrators, offer referral services to outside agencies, and build community partnerships.

WHAT'S NEW?

We have a new student video! Check out the video on the Counselor's Corner section of the Middle School webpage.
